A plot plan is required for all new buildings, additions to existing buildings and accessory buildings to be constructed.

The plot plan must be drawn as follows:

1. Draw to scale
2. Show lot size
3. Draw street location
4. Show all existing buildings on lot and their sizes (dimensions)
5. Show all new proposed buildings or additions and their sizes (dimensions)
6. Show the distances from lot lines of all existing and proposed buildings

SITE OR PLOT PLAN - For Applicant Use

A large grid for drawing a site or plot plan. The grid is composed of small squares. In the top right corner of the grid, there is a circle with the letter 'N' next to it, indicating North.
