

Holden Historic Town Hall Restoration Committee
November 4th, 2015
Minutes

Present: Bunny Barclay, Ben Breadmore, MaryBeth Connolly

Minutes of October 7th meeting accepted.

Bunny is working on complying with Town Ordinance re: Boards and Committee's, by filing all past Agenda's and Minutes with the Town.

Christmas Tree lighting event continues to be planned. Chris Waterhouse will be asked to be Santa, because Chief Greely will not be able to. Angel Seavey will be asked to help out, specifically setting up the entertainment, and publicity, and general kid wrangling.

The clean up of the Hall went very well, with just a very few of us. Thank you to Ben Breadmore, and Dick Barclay, Bunny Barclay, Charlotte Dowling, and Kerry Zimmerman. Tables were set up, and Santa's area was designated, the Xmas tree lights were tested, and general sweeping, and arranging.

The new roof will hopefully begin soon, no start date as of this meeting.

Kerry Zimmerman will be asking for a donation of a new back door that is exactly like the current one.

Funds available were reviewed, information provided by Sherry.

The proposed merger of this committee into the Holden Historical Society was again discussed briefly. The Town, and Town Attorney are still working on this.

Port Harbor Marine has returned the cookbooks it had on sale for us. They had no sales, but other businesses have. They will be on sale at the tree lighting.

In new business, we have a letter/bill for our web site that Ron Sirois developed, that is due in the spring. Payment and letter noted and will

wait until later to pay, especially since the site may become one that is also for the Historical Society.

MaryBeth brought some apple dumplings for the committee to sample, and decide to make for a possible fundraiser at the tree lighting. It was decided to do this and plans were made for members to accomplish this. Bunny presented an article from the BDN re: volunteers restoring a church in Troy, Maine. The information in this could be helpful down the road re: funding.

The next meeting will be on December 2, 2015, at 5P.M. at the Town Council room.

Meeting adjourned at 5:25 P.M.

Respectfully submitted: Bunny Barclay
